

## **MG Motor India announces donation of Rs. 2 crore towards medical aid**

**New Delhi, March 25, 2020:** In this hour of crisis, we stand with the government of India to fight and overcome the spread of the pandemic of COVID-19. We understand that in this effort, the government of India would need huge resources. As a socially responsible organisation, MG Motor India today announced a donation of Rs. 2 crore for the government hospitals and health institutions providing medical assistance in Gurugram and Halol (Vadodara), where the carmaker's facilities are located – to ensure the health and well-being of the medical staff and underprivileged sections of society.

While INR 1 crore contribution will come from the company directly, its employees have also pledged to donate another INR 1 crore. The contribution includes gloves, masks, ventilators, medicines and beds etc. depending on the particular requirement of the specific government hospitals and health institutions providing medical assistance in Gurugram and Halol (Vadodra).

Also as part of its commitment towards the safety and well-being of the staff at its dealerships and workshops, the carmaker is felicitating and advising dealers to ensure enhanced insurance cover for their 5000 employees across the country.

### **About MG Motor India**

Founded in the UK in 1924, Morris Garages vehicles were world-famous for their sports cars, roadsters, and cabriolet series. MG vehicles were much sought after by many celebrities, including the British Prime Ministers and even the British Royal Family, for their styling, elegance, and spirited performance. The MG Car Club, set up in 1930 at Abingdon in the UK, has thousands of loyal fans, making it one of the world's largest clubs for a car brand. MG has evolved into a modern, futuristic and innovative brand over the last 96 years. MG Motor India has its car manufacturing plant at Halol in Gujarat.
